## **MISTICK CONSTRUCTION HIRES NEW PROJECT MANAGER**

PITTSBURGH (Dec. 20, 2011) — Mistick Construction Co. has hired Richard B. Fec as its new project manager for southwestern Pennsylvania. He will handle scheduling, subcontractor negotiations and on-site coordination for the company.

“With his extensive experience and vast industry knowledge, Richard will successfully continue Mistick’s mission of providing our clients with the highest level of efficient, quality, customer-focused construction and pre-construction services,” said Jeff Anderson, Vice President of Construction for Mistick.

Fec has worked in the construction industry for 24 years, previously holding positions with Dynamic Building Corp., TEDCO Construction Corp., and ACandS Inc. He graduated from Pennsylvania State University with a degree in mechanical engineering technology.

### **About Mistick Construction Co.**

Founded in 1951, Mistick Construction Co. is a mid-sized general contractor based on Pittsburgh's North Side. Mistick serves clients with fully bonded, complex housing construction programs in the \$5 million to \$60 million scope. For more information, visit [www.mistickconstruction.com](http://www.mistickconstruction.com).
